Note: Liability Limitation for loss or damage on this shipment may be applicable. See 49 U.S.C. and 14706(c)(1)(A) and (B)

Note: With respect to any shipment originating outside of Mexico with ultimate destination in Mexico, Southeastern Freight Lines shall have no liability, either for itself or for any Mexican Carrier involved in the move, for loss, damage, delay which occurs within Mexico, or while in the possession of the designated customs broker, freight forwarder, drayage company, etc. There will be no carrier liability between Republic of Mexico origin/destination(s) and the U.S. Broker. All shippers of international cargo are urged to obtain international cargo insurance through the commercial market. Southeastern Freight Lines will not make available any type of international cargo insurance between points served direct in the U.S., and points in the Republic of Mexico. While the freight is traveling in the U.S., Southeastern Freight Lines liability will be subject to the terms in SEFL tariff 1090.
